A grievance to be considered under this procedure must be initiated by the employee or group of employees within fifteen (15) working days of its occurrence.

B. Year End Grievances (10 month employee)

In the event a grievance is filed by a 10 month employee at such times that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to the party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

C. Procedure

1. Any employee covered by this Grievance Procedure shall have the right to present a complaint as specified herein.
2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within specified time limits shall mean the grievance has been dropped.
3. It is understood that employees shall, during and notwithstanding the pendency of the resolution of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
4. All meetings and hearings under this procedure shall be conducted in private session and shall include only such parties as are designated by the Board or the aggrieved or heretofore referred to in this grievance procedure.
5. All documents, communications and records dealing with the processing of a grievance shall be kept in a separate grievance file while disposition of a grievance is pending.
6. Group grievances shall be initiated in writing at the lowest level of the procedure from which an administrative remedy or denial can be given. Group grievances shall list those people or category of people on whose behalf the grievance is filed. If the Administrator with whom the group grievance is filed states that said grievance can be resolved at a lower level, he/she shall put that determination in writing and give it to the Association president or grievance chairperson no later than five (5) working days after the grievance was filed. The grievance shall then be processed at the level indicated.

7. Step 1 - Immediate Appropriate Supervisory Person¹, (verbally) - Any employee who has a grievance shall discuss it first with his/her immediate appropriate supervisory person in an attempt to resolve the matter informally at that level.
8. Step 2 - Appropriately Certified Administrative Person¹ (in writing) - If, as a result of the informal discussion, the matter is not resolved to the satisfaction of the employee within five (5) working days, he/she shall set forth his/her grievance in writing and present it to the appropriately certified administrative person on the grievance form² specifying:
 - a. The specific nature of the grievance.
 - b. The nature and extent of the injury, loss or inconvenience.

This must be done within five (5) working days after receipt of the appropriately certified administrative person's decision.
10. Step 4 - Board of Education - (in writing)

The employee may request a review of the grievance by the Board of Education if the written reply from the Superintendent of Schools is not to the employee's satisfaction. This must be done within five (5) working days after receipt of the Superintendent of School's decision. The Board shall conduct a hearing within thirty-five (35) calendar days of the Association's request for review. The Board shall render a decision, in writing, within ten (10) working days from the date of the hearing.

11. Step 5 -

If the aggrieved is dissatisfied with the decision at the Board level, the aggrieved may petition the Association to file for arbitration. If the Association files for arbitration, such filing shall be simultaneously made known to the Superintendent. Said filing shall take place no later than ten (10) working days after the written decision of the Board of Education was made known. The following procedure will be used to secure the services of an arbitrator:

- a. A joint request will be made to the Public Employment Relations Commission (PERC) to submit a roster of persons qualified to function as an arbitrator in the dispute in question.
- b. If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request that PERC submit a second list of names.
- c. If the parties are unable to determine, within ten (10) working days of the initial filing for arbitration, a mutually satisfactory arbitrator from the second submitted list, PERC may be requested by either party to designate an arbitrator.
- d. The arbitrator shall be limited to the issue(s) submitted and shall consider nothing else. The arbitrator can add nothing to, nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The recommendations of the arbitrator shall be binding. Only the Board, the aggrieved and representatives of the aggrieved shall be given copies of the arbitrator's report of findings and recommendations.

D. Costs

1. Each party will bear the total costs incurred by themselves.
2. Only the fees and expenses of the arbitrator will be shared equally by the Board of Education and the Association.
3. If time is lost by any employee due to arbitration proceedings necessitating the retention of a substitute, the Board will pay only the cost of the substitute. If the arbitrator rules favorably for the employee, the Board of Education will pay the salary for the time lost; if the ruling is against the employee, time lost must be without pay.

A. Medical Disability Leave

Due to a medical disability which is substantiated by a certificate from a medical doctor, an employee shall be granted an extended leave of absence without pay; however, the Board shall have the right to have the employee examined by a physician of the Board's choosing, at the Board's expense, to ascertain whether the employee is medically disabled. Following any difference of medical opinion between the Board's physician and the employee's physician, the Board may request expert consultation in which case a medical society shall appoint an impartial third physician who shall examine the employee and whose medical opinion shall be conclusive and binding on the issue of medical capacity to continue in his or her job, which opinion shall also be nongrievable. The expense of any examination by an impartial third physician under this paragraph shall be shared equally by the employee and the Board. During the period of the employee's personal medical disability, accumulated sick leave benefits shall be paid until such benefits are exhausted or the personal medical disability has terminated.

Upon exhaustion of all paid sick leave, medical benefits, as defined in Article XI herein shall be terminated. However, the employee may elect to retain said benefits by reimbursing the Board of Education on a monthly basis provided such reimbursement is allowable under the Master Policy. Employee reimbursement shall commence on the first day of the month following the exhaustion of said paid sick leave benefits, to a maximum of one year, so as to continue group rate premiums. If the employee does not elect to retain said benefits, those medical benefits shall expire according to the master policy(s) then in effect.

1. The Board retains the right to place an employee on medical disability leave for any one of the following reasons:
 - (a) Whenever the employee's physical condition adversely affects his or her ability to continue to function effectively in his or her job.

(b) The physical condition or capacity is such that the employee's health would be impaired if permitted to continue in his or her job, and if:

- (1) the employee fails to produce a certificate from a medical doctor stating that he or she is medically able to continue in his or her job, or
- (2) the Board of Education's physician certifies that said employee cannot continue in his or her job,
- (3) following any difference of medical opinion between the Board physician and the employee's physician, the Board requests expert consultation in which case a medical society shall appoint an impartial third physician who shall examine the employee and whose medical opinion shall be conclusive and binding on the issue of medical capacity to continue in his or her job, which opinion shall be non-grievable. The expense of any examination by an impartial third physician under this paragraph shall be shared equally by the employee and the Board.

2. When the seeking of an extended leave of absence for medical disability can be anticipated, an employee shall file a written request for such leave with the Superintendent within thirty (30) days from the time the employee knew of the necessity of taking the medical leave. Said request shall indicate the anticipated date on which said leave is to commence and the anticipated date on which the said leave is to terminate (if able to ascertain with reason). Written request shall indicate the anticipated plans of the employee upon termination of the medical disability leave as to his or her returning to work, resigning, retiring, or applying for another type of leave.

3. The board need not grant nor extend the leave of absence of any employee beyond the end of the contract school year which the leave is obtained. An employee returning from a medical disability leave shall be entitled to all benefits to which said employee was entitled at the time leave commenced.
4. The date of requested return from medical disability leave may be adjusted by the Board to commence in January or September or any other natural break in time which the Board deems in keeping with the educational needs of the school.
5. An employee may make application to the Board for a child rearing leave of absence for a period of up to one year. Said application shall be made to the Superintendent at least ninety calendar days prior to the commencement of the child rearing leave. The date of requested return may be adjusted by the Board to commence in January or September or any other natural break time which the Board deems in keeping with the educational needs of the system, and may preclude the one year time period cited above.
Said child rearing leave shall be without pay. The Board of Education Secretary shall, upon request, provide the employee with the necessary information in order that the employee can take over the payments of insurance premiums and notify the proper persons and agencies of said leave.

B. Family Sick Leave

A leave of absence of up to one (1) year without pay may, at the Board's discretion, be granted for the purpose of caring for a sick member of the employee's immediate family. Additional leaves may be granted at the discretion of the Board.

C. Sabbatical Leaves

1. A sabbatical leave may be granted to a certificated employee or teacher/school aide by the Board of Education for study, or for other reasons of value to the school system. For purposes of this section the term "certified" is as defined in Title 18A.

2. Sabbatical leave may be granted subject to the following conditions:

- a. Applications for sabbaticals shall be submitted by the applicants and acted upon by the Board of Education.
- b. Requests for sabbaticals shall be submitted in writing to the Superintendent no later than January 31; and acted upon no later than March 15.
- c. Employee's must have completed at least six (6) consecutive years of service under contract to the Board of Education in order to apply.
- d. The applicant receiving a sabbatical will agree in writing to return to the service of the district for a period of two (2) years following the completion of the sabbatical and will execute a promissory note to return all money if the applicant does not return to the district for the two year time period specified above.
- e. An employee on sabbatical shall receive the following benefits:
 - 1) Medical Benefits to be included:
 - (a) Blue Cross/Blue Shield, Rider "J",
Major Medical Insurance
 - (b) Dental Program
 - (c) Prescription Plan
 - (d) Washington National
 - 2) One (1) year's advancement on the negotiated salary guide upon return from sabbatical leave
 - 3) Addition of one (1) year upon return for the purpose of seniority and longevity

In addition to the benefits listed above, an employee on sabbatical for one (1) year shall receive fifty (50) percent of the entitled salary rate; or shall receive one hundred (100) percent of the entitled salary rate for one-half year sabbatical.

f. No more than two (2) sabbatical leaves may be granted per year.

- g. The main purpose of a sabbatical leave is to encourage the professional growth of a staff member.
 - h. Decisions to grant sabbatical leaves will be made by the Board of Education based upon each staff member's years of experience in the district, the staff member's goal(s) and objective(s) for using a sabbatical leave, and the contribution that the staff member can make to the district upon return from the sabbatical leave.
- D. Nothing herein contained shall be construed to require the Board to grant tenure to any non-tenured employee who would not have been granted tenure in the absence of this provision or to offer a new contract for a new school year to any non-tenured employee who would not have been offered such a contract in the absence of this provision.
- E. Leaves granted under this article shall count toward increment credit provided an employee has worked at least one-half (1/2) his/her contracted work year including orientation, professional and NJEA convention days during that work year.
- F. Other leaves of absence without pay may be granted by the Board at its sole discretion.
